

# Frays Dental Education: Your Pathway to Becoming a Dental Nurse

## What Does Frays Dental Education Do?

- Frays Dental Education is here to guide and support you on your journey towards becoming a registered dental nurse. We offer the accredited NEBDN Diploma in Dental Nursing, but we believe in setting you up for success from the very beginning.

## Why Choose Frays Dental Education?

- **Structured Approach:** We offer a clear pathway to becoming a dental nurse. This starts with our Foundation Course, followed by securing employment as a trainee dental nurse in an approved training practice, and finally progressing to the NEBDN Diploma program.
- **Solid Foundation:** The Foundation Course equips you with the core knowledge and essential skills you'll need to thrive as a dental nurse.
- **State-of-the-Art Learning Environment:** Train in a real dental practice setting, gaining hands-on experience with the latest equipment.
- **Expert Instruction:** Our team of experienced dental professionals, including nurse tutors, hygienists, and specialists, will share their knowledge and expertise.
- **Supportive Learning Structure:** Our courses are designed to help you successfully complete your record of experience, a crucial step towards your exams.
- **Focus on Your Success:** We equip you with the skills employers seek through our Foundation Course and career guidance, maximizing your employability.
- **Proven Track Record:** Our graduates go on to work in diverse settings, from specialist practices to universities.

## Fees:

- **NEBDN Diploma (Theory Teaching Only):** £150 per Calendar Month (PCM) for 15 Months, plus a separate external examination fee payable directly to NEBDN (currently £525).
- **NEBDN Diploma (Theory Teaching and Clinical Training):** Open only to those who have successfully secured trainee dental nurse employment with Frays Dental Centre. The fee is £390 PCM for 15 Months plus a separate external examination fee payable directly to NEBDN (currently £525).

## How to Learn More and Discuss Your Options?
